Society Organiser Guidelines

Thank you choosing Hinksey Heights Golf Club for your event.

Please read and follow our guidelines for your event which also form our terms and conditions and which you are deemed to have accepted on payment of booking deposit.

- All players should ideally have an official handicap on the World Handicap System which we can verify. If not, we will accept a society-allocated handicap on the assurance of the organiser as to the player's sufficient ability at golf to play at an appropriate pace (see below).
- All players must have their own golf clubs and shoes which offer sufficient grip for the conditions on the day.
- Tees of the day are yellow although our white competition and member tees may be available by prior agreement and payment of an additional £2.50 upgrade fee per player. This exception is only made if all players have a WHS handicap.
- A deposit of £5 per person is required to confirm the booking.
- Final number of players must be confirmed 7 days prior to the event and full payment made.
- Final food choices and notification of allergies and dietary requirements, where appropriate, are required at least 7 days in advance using our standard form.
- Should there be additional players on the day, and assuming there is space on the tee sheet, payment for these can be made on the day.
- No refund will be made for no shows unless we are advised more than 48 hours before your first tee time.
- The organiser confirms that all players have a good understanding of both the rules and etiquette of golf. This includes adoption of the pace of play rules for "ready golf" to maintain a good pace of play which, for a fourball at Hinksey Heights, is 4 hours to complete the course. Guidance for timings is shown on our scorecard. Players causing a hold up will be asked to speed up by the course marshal, but we prefer not to have to ask!
- Golf Buggies can be booked in advance or hired on the day, subject to availability, and each hirer will be asked to complete a form and provide a photo ID. The hire fee is charged separately to the hirer.
- Should the organiser not be present on the day, they will advise us of the nominated delegate.
- The organiser or delegate should report to golf reception at least 30 minutes prior to the first tee time or the agreed time for serving breakfast if applicable.
